

Material Safety Data Sheet

Section I – Product Information	
Item Name: LUXSS Multi-Surface Polish	
Company's Name: CAF, LLC	Company's General Phone Number: (425) 837-0025
Company's Address: P.O. Box 1121 Maple Valley, Washington 98038	24-Hour Emergency Number: (425) 837-0025 ext. 5
Date MSDS Prepared: February 9, 2007, Revised February 13, 2007	Reorder Hotline: (206) 202-0444. email: sales@mycaf.com

Section II – Hazardous Ingredients			
Chemical Name/Common Name:	CAS NO.	PERCENT	TLV (Source)
Silicone Emulsion		< 5	
No toxic chemicals subject to the reporting requirements of section 313 of Title III and of 40 CFR 372 are present.			

Section III – Physical Characteristics	
Boiling Point: (F) 212	Appearance: Liquid, viscous, milky white color, lemon fragrance.
PH: (1.0% solution) 6.0 – 8.0	Vapor Density: Heavier than air
Vapor Pressure: (mm/Hg): N/A	Solubility in Water: Complete
Specific Gravity: (H2O = 1.0) 1.0	Evaporation Rate (Vs ether) Slower

Section IV – Fire and Explosion Data		
Flash Point: None	LEL: N/A	UEL: N/A
Extinguishing Media: Product is NON-FLAMMABLE; therefore, no extinguishing would be necessary.		
Unusual Fire and Explosion Hazards: None		

Section V – Reactivity Data
Stable: Yes
Incompatibility: Non-reactive
Hazardous Decomposition: NONE

Section VI – Health Hazard Data
Threshold Limit Value - Product (See Section 2 for Ingredient TLV) None Established
Primary Routes of Exposure: Eye – Yes Skin – No Oral – Yes Inhalation - No Other
Signs and Symptoms of Over-exposure (Acute): EYES: Will irritate with contact.
Signs and Symptoms of Over-exposure (Chronic): Contact may aggravate existing skin disorders.
Medical Conditions Aggravated by Over-exposure: Persons with pre-existing skin disorders, eye problems, impaired respiratory function may more susceptible to effects.
Carcinogen or Suspect Carcinogen Ingredients: NTP - NO IARC - NO OSHA - NO NONE

Section VII – Emergency & First Aid Procedures
Eye: Flush immediately with lots of running water for at least 15 minutes holding eyelids open. Get medical attention.
Skin: Wash skin with soap and water. Remove contaminated clothing & shoes. Wash before reuse.
Ingestion: If vomiting spontaneously occurs, keep victim's head below his hips to prevent breathing vomitus into his lungs. Drink 1 to 8 glasses of water or milk to dilute. Call a physician immediately. Treat symptomatically. Do not give anything by mouth to an unconscious or convulsing person.
Inhalation: Get to fresh air.

Section VIII – Spill or Leak Procedure
Steps to be Taken if Released or Spilled: This product will cause floors to be very slippery. For large spills, soak up with absorbent material. Rinse and wash spill area until no longer slippery. For small spills mop or wipe up and contain.
Waste Disposal Methods: Note that the contaminates of the product must be consider when disposing. Consult appropriate Federal, State and Local regulatory agencies to ascertain proper disposal procedures and comply with them.

Section IX – Special Protection Information
Respiratory Protection: Not required.
Ventilation Requirements: Adequate ventilation required.
Protective Gloves: Not required.
Eye Protection: Not normally required. Recommended if used overhead or misting or spraying.

Section X – Storage and Handling Information
Precautions to be Taken in Handling and Storage: Store in a cool dry, well ventilated place away from incompatible materials. Keep container tightly closed when not in use. Under DOT regulations, this material is a cleaning compound powder, NOI NMFC 48581, Class 55.

Section XI – Disposal Considerations
Landfill in accordance with all local, state and federal environmental regulations. Local and state laws may differ from Federal, be sure to consult with appropriate agencies for specific rules
Discard empty containers as general trash.
