

EXIMO®

WATERLESS CONCRETE CLEANER

PRODUCT INFORMATION

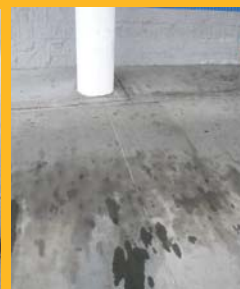

BEFORE

AFTER

BEFORE

AFTER

EXIMO® is an all natural waterless cleaner that uses a time-driven process and nature's own biochemistry to completely remove unsightly petroleum stains from concrete. EXIMO actually breaks down the hydrocarbon chain of petroleum stains deep within the pores of the concrete and restores the surface to its original appearance. EXIMO is environmentally safe and requires no water. Through an all-natural process called bioremediation, the microorganisms in EXIMO breakdown and consume the hydrocarbons into water and carbon dioxide. To top it off, EXIMO is fast and effective -- without the need for power equipment. A little goes a long way, making EXIMO your #1 choice in hydrocarbon stain clean up.

EXIMO ADVANTAGES:

- Saves time and money over alternatives
- Cleans better and deeper than pressure washing
- EPA recommended bioremediation process for oil removal
- No down time

EFFECTIVE ON:

- Concrete
- Driveways
- Sidewalks
- Pavers

UPC: 689076716932

Weight: 36 LBS

Case Pack: 32/Pallet

OIL EATING FORMULA		
36 LBS (16.33 KG)	COVERAGE	16,500 SQ. FT.
