

FRIGO AUTO-DOSE™

The FRIGO Auto-Dose takes the guesswork out of our FRIGO squeegee bucket solution product - effectively ridding your site of frozen squeegee buckets during the winter months. Attach a garden hose, set the dial based on the coldest forecasted temperature, and then dispense your solution.

When used with the CAF FRIGO App (www.mycaf.com/FRIGO), this revolutionary auto dispensing system will keep your squeegee buckets usable, even in freezing temperatures - saving you time and money.
