

SURFACE POLISH

PROTERO® is a safe, non-aerosol polish designed for heavy duty polishing of stainless steel, painted metal, aluminum, hard plastics, and more. PROTERO is tough enough to polish outdoor gas station equipment yet gentle enough to use in your back kitchen. PROTERO removes everything from finger prints, smoke film, scuffs, dirt and grime. A little PROTERO goes a long way, and no oily residue is left behind. PROTERO protects your equipment from the elements, such as UV damage and restores the sheen of your metal surfaces. Use PROTERO after cleaning with OTIS® Surface Cleaner to shine any surface!

ADVANTAGES

- Restores, polishes and protects
- Ready-to-use formula
- Safe on equipment, no gloves required
- Blocks UV degradation
- Repels dust
- Non-Flammable

EFFECTIVE ON

- Stainless steel
- Painted metal
- Aluminum
- Mechanical finishes
- Plastic surfaces
- Rubber

PRODUCT DETAILS

Weight: 2.2 lbs.
 Case: 12 units
 Yield: 32 oz.
 Item Number: PRO
 UPC Number: 850487003304
