

# SPRAY&GO<sup>®</sup>

## MOSS, MOLD, MILDEW AND ALGAE STAIN REMOVER

SPRAY&GO<sup>®</sup> quickly removes stains and prevents future algae, mildew, mold, and moss on hard surfaces. How it works: Once treated with SPRAY&GO, the surface requires no pressure washing, scrubbing or rinsing. Just thoroughly wet the DRY surface with SPRAY&GO and then forget about it. The elements (wind and rain etc.) will slowly wash off the stain. If the surface to be treated is not fully exposed to rainfall or is vertical, some assistance may be required to remove stains.

### ADVANTAGES

- EASY** - Just "Spray and Go" ... No Scrubbing, Rinsing or Pressure Washing
- EFFECTIVE** - Removes tough stains from most surfaces
- SAFE** - Non-bleach, non-acid formula safe for people and surfaces
- LONG LASTING** - Advanced moss, mildew, mold and algae stain remover

### PRODUCT DETAILS

- Volume: 1.0 gal.
- Case: 4 units
- Yield: 6 gallons
- Item Number: SNG
- UPC Number: 850487003328

### EFFECTIVE ON

- Aluminum siding
- Painted metal
- Asphalt
- Wood Surfaces
- Plastic
- Concrete
- Pool surroundings
- Ceramic
- Play equipment
- Wood decks
- Fiberglass
- Clay tiles
